

Host a Party!!

Planning an event can be a fulfilling project for anybody interested in giving back to the community and raising money for a good cause. **Lena Park welcomes you to host your next party to raise support for our agency or for a specific Lena Park program.**

This can be coordinated with any occasion including your next birthday, wedding or baby shower event, memorial or tribute service. In lieu of gifts, a host would ask that a donation be made to our organization. Lena Park would provide you with materials about our organization or specific program to share with your guests during your celebration.

One could also host a unique event to bring people together to raise funds.

This could be a chili cook-off contestant or Hershey's chocolate cake competition, a pajama party or brunch, a game day/sporting event or competition, or an art extravaganza! Lena Park will be willing to make a brief presentation on the work we do. This could be both through live and video formats. We could also assist with the production of invitations, attendee management, and offer any support necessary to ensure the event is a success!

The opportunities are endless and we welcome you to get involved!
